Present

### Senior Graphic Designer freelance (full time)

LONDON — UNITED KINGDOM

My practice is based on define each projects with the right graphic system. As we can define a thing with sentences and words, I design shapes and typefaces, transform photographies and use color as a way to express the graphic subject.

#### MAIN PROJECTS

- **PrinTemps de Paroles - Live Art Festival (Paris):** Create and design print material (poster, leaflet, brochure, signage).

C V

Senior Graphic Designer looking for a challenging position, to make full use of his creativity and graphic design skills.
